Designated Improvements

Designation means recognition by the City of St. Augustine for buildings, structures, sites, objects, or districts that conduct property enhancements in anticipation of the 450th Commemoration. The designation denotes participation in the commemoration event for any participant that implements work that requires a planning and building application or that changes the appearance of a designated property.

Criteria

The designation prescribes the criteria for listing to include:

- 1) Improvement that adds significant character, interest, or value as part of the development, heritage, or cultural characteristics of the City or is associated with forwarding the cause of the 450th Commemoration; or
- 2) Contributes to the historic context of the City; or
- 3) Reflects the environment in an era significant to the 450th Commemoration; or
- 4) Undertaking of any beautification project

Designation Process

- 1) Anyone may participate in the Improvement Club
- 2) Properties are designated as participating upon receipt of completed and approved application and a planning or building application when required
- 3) Detailed description of improvements will include the physical description of the current conditions and proposed alterations

Designation Benefits

The 450th Improvement Club serves as another tool for our community to promote heritage resources and cultural values by improving a property's physical characteristics. As a community-wide initiative the club is an opportunity for all residents to express pride and support of our shared history.
