#### **Bridge of Lions Reopening Ceremony Taking Shape**

In just a few weeks our community will celebrate the reopening of the historic Bridge of Lions and its return to service after over 42 months of extensive rehabilitation. To commemorate the event, the City of St. Augustine is cooperating with the Florida Department of Transportation, Skanska, and Save Our Bridge to plan a small, yet significant ceremony. The ceremony will include the official first pedestrians to walk the restored bridge. To see the story and details of how to be one of **The '27 Club**, [click here](#).
