## City continuing the remove mooring balls

### *Removal of unused/unattended moorings resumes on February 25 and to continues through March*

On Thursday, February 25, the city will continue removing all unused/unattended mooring balls and, where possible, all associated ground tackle from the waterways within the city limits.

To avoid disposal by the city, owners of mooring balls and tackle in the affected areas should remove all such material immediately. Removed mooring balls will be temporarily stored at the Municipal Marina, 111 Avenida Menendez, and will be disposed of after 90 days if not claimed by the owner.

The removal schedule is as follows:

- March 1-7 Salt Run area
- March 8-14 San Sebastian River area
- March 15-21 Areas north and south of Bridge of Lions
- March 22-28 Hospital Creek area

For further information please call 904.825.1010.
